

Grades K- 6 Fri, Oct. 23 1:30 PM

Presenting science lessons, circus style! This innovative and entertaining educational offering uses the magical world of circus to teach concepts like Forces and Motion, Simple Machines, Matter, Air Power, Chemical Reactions and more. Audiences of all ages alternate between laughter and amazement as science and circus combine.

The Circus Science Spectacular originated through a unique partnership with professional educators. Steve Russell and Kobi Shaw worked side-by-side with teachers in classroom settings, incorporating circus arts in the instruction of core curriculum concepts. All of the content is researched and tried, supporting actual concepts of science! Trained by Ringling Brothers Circus, Steve and Kobi's performing skills in comedy, juggling, magic and balancing bring the dimensions of novelty, surprise, and fun to the mix. So, step right up! The Circus Science Spectacular is your ticket to science fun.

## LARRY YAZZIE

Fri, Oct. 30 1:30 PM

All Ages

Experience the artistry of Larry Yazzie (Meskwaki) as he performs flamboyant movements passed down by his ancestors through Native American song and dance. He is a charismatic performing artist: a Champion Powwow Men's Fancy Dancer, an Eagle Dancer, a Native American Flutist, Lecturer, Master of Ceremonies, Model, Actor, and Singer. He founded Native Pride Productions, Inc., a Native American theatrical, dance, and performing arts company based in Minnesota (2003) and has performed throughout the world sharing his culture. Larry is from the Meskwaki Settlement near Tama, Iowa and has been dancing since he was 7 years old. His mission is to educate, inspire, motivate and empower diverse communities to bridge cultural gaps through Indigenous traditions.

2-time World Champion Fancy Dancer

Performed in the Macy's Thanksgiving Day Parade in 2004 and 2013.

3 film productions "No Blood of Mine", "Kid West", "Escamba: Kingdom of Carlos".
