A Note from the Director

These workshops are always a whirlwind. In three short weeks we go from a group of 69 kids who have never seen the script to a well-oiled production that these kids run from start to finish. I could not be prouder of this group of young artists. I wish you could have seen all the moments of peer leadership, camaraderie, and pure joy I have witnessed in these three weeks. These kids have left me with a smile on my face every single day.

I must take a moment to thank Mike and Noah for being the best codirectors I could have asked for. I appreciate your gifts and your time more than I could ever say. I am so lucky to work with you, and so are these kids.

Amy and Amy, we could not have done this without you. Thank you for making these kids look so sharp!

Thank you all for being here. I hope you enjoy the show!

~Katie
