2026-2027 PARENT HANDBOOK & POLICY MANUAL

THE PROGRAM

Reif Dance encourages people of all ages to study the art of dance while promoting a spirit of community. We are proud to offer classes for students ages 4 years to adult. Our program consists of three tracks including Dance Fundamentals, Technique Classes (distinguished by levels), and Adult Classes.

Student placement level is solely at the discretion of the Reif Dance staff.

- **Dance Fundamentals (Preschool, Kindergarten, 1st Grade/Pre-Ballet):**

Dance Fundamentals is designed to build a child's confidence in their own creative ability to express themselves through movement. In this unique program, children gain body awareness and self-esteem through movement-oriented games and music. Our unique theme-based classes are designed to inspire a child's imagination and independence in a fun and supportive atmosphere. As students progress through the program, they learn basic dance vocabulary and class etiquette to prepare them for more formal dance training in ballet, jazz, tap and modern dance. Our Fundamentals classes give children the building blocks for the expressive language of dance while nurturing the joy and love of the art form which is the heart of Reif Dance.

- **Technique Classes (Levels I-VI):**

Reif Dance offers classes in Ballet, Jazz, Modern, and Tap. We currently have 6 levels of technique classes. Students are placed in levels according to their strength and technical ability. All students are encouraged, but not required, to study ballet. Ballet is the foundation for most dance techniques, and students who attend regular ballet technique classes will undoubtedly progress at a faster rate than those who do not. We recognize that each student is different and will progress from one level to the next at a different pace. Please encourage your children not to compare themselves to others. We want our students to celebrate the successes of their fellow students and to value the hard work it takes to set and achieve goals.

- **Adult Classes:**

These classes are for the recreational dancer who may have gotten a late start in studying dance but still wants to move. Adult classes are open to men and women of all ages.

CLASS SIZE

Fundamentals classes are limited to 16 students. All other classes are limited to 30 students. Classes generally require a minimum of 6 students enrolled to avoid cancellation. The Reif Center reserves the right to change class size as well as combine or move classes.

CLASS ATTENDANCE

Attendance will be taken at the beginning of each class. Please notify the instructor or Dance Director in advance of anticipated absences. Regular attendance is required for students to keep pace with class work and performance choreography. Parents will be notified if a student's absenteeism becomes detrimental to their progress, or to that of the entire class. Parents will also be contacted if a student is absent without prior parental notice.

Students of the Reif Dance program are expected to be on time with proper hair and uniform for all classes in which they are enrolled. However, we understand that sometimes things come up. In the case of illness, emergency, or scheduling dilemmas, students are encouraged to make up classes.

MAKING UP CLASSES

Classes may be made up by attending a different class. **Parents must contact the Dance Director to determine which class would be appropriate for make-up.**

- If your child is sick, please keep them home and allow them to recover. Dancers with a fever will not be allowed in class.
- No refunds or reductions are made for missed classes.
- In the case of extended injury or illness, please come speak with the Dance Director to see how we can work together to best serve your student and their class.

TARDINESS

We understand that being late is sometimes unavoidable. However, a dancer who is more than five minutes late for class may be asked to observe rather than participate in class at the discretion of the instructor. This policy is in place to prevent student injury. A student who misses the first few exercises runs the risk of injury by not being properly warmed up. We are not trying to punish students. This policy exists because we care about our students' welfare.

REHEARSAL ATTENDANCE

Students who plan to perform in the Nutcracker, Company Show, or Spring Show will be required to attend scheduled rehearsals outside of class time. These include, but are not limited to: Tech Week rehearsals, weekend rehearsals for Nutcracker Battle/Party scenes, and any soloist/demi soloist rehearsals. Dancers who have unexcused absences from these rehearsals may not be allowed to perform. Rehearsals cannot be made up so please make them your priority.

TECH WEEK REHEARSALS

Productions don't just magically happen; they take lots of work. Tech Week, short for Technical Week, is the week that precedes any of the shows we put on here at the Reif. You will notice on the calendar that the week is blocked off, but let me explain how the week works. We usually begin on the Saturday before the show with our staging/blocking rehearsal. This is our first stage rehearsal. This helps us orient ourselves on the stage, and much of this rehearsal will NOT be in show order. Monday, we work on spacing and start adding in lights. Expect dances to start and stop or waiting for lights while our tech crew program the special lights. Much of this rehearsal will NOT be in show order. Tuesday is usually the first day we start putting the show together in order. The lights are implemented and dances are run in show order. Wednesday, we begin wearing costumes and may even start practicing staying backstage to rehearse entrances and exits, quick changes, light and sound cues, and any other things that would be necessary for a smooth run of the show. And finally, we get to dress rehearsal. This should be treated like another show. Dancers are expected to wear full costumes, with show hair and makeup done. These rehearsals are all important in their own right, and should be treated as a whole. Each rehearsal makes the next one better, which in turn makes the show better.

A detailed tech week schedule will come out in the Friday update closer to show time.

CLASS RULES

The studio is a place for joy and laughter but is also where students learn etiquette and discipline. Students studying a dance technique are expected to display certain behaviors including punctuality, Reif Dance dress code, and rules of etiquette laid out by the individual instructor. If these expectations are not met, instructors have the right to excuse students from class or have them sit and observe. In this event, parents/ guardians will be notified.

COMMUNICATION

It seems there is always something going on at Reif Dance. Some things are planned well in advance and some pop up out of nowhere. We will do our best to make sure that all our families stay informed about all of the exciting things happening and any last-minute changes which may occur. We will communicate with parents in the following ways:

- *Friday Update:* These emailed updates will contain important information including rehearsal schedules and special events. Please read these newsletters carefully to make sure you know what to expect.
- *Email:* When we have a schedule change, cancellation, or important news, we will send information via email. Please provide the Reif Office with a valid email address (please update us if your email changes).
- *Bulletin Board:* We have a bulletin board located in the hallway outside of Studio B. We will use these boards to communicate as well. Please check these boards as you pick up or drop off your children to make sure that you stay informed about any special events or volunteer opportunities.

- *Portal:* When you register through AKADA you have the option to subscribe to texting. This is a new feature which will allow us to send last-minute notifications. This will not replace our communication via email but will be used for emergency cancellations or surprise changes. If you have already registered, you will need to go back in to your AKADA account and subscribe to text updates on your personal details page.

CLASS CANCELLATIONS

Occasionally classes are cancelled due to instructor absence, special events, scheduling conflicts, or prohibitive weather conditions. The Reif Center reserves the right to one cancellation per session without scheduling make-up classes. In the event of a weather-related cancellation, the Reif follows ISD #318 policy.

The Reif Center will send an email to families in the event of last-minute cancellations. We will also post signs outside of the dance entrance and the main lobby doors. Parents are responsible to check these signs to avoid leaving students stranded and unattended.

When a make-up class needs to be scheduled, you will receive the scheduled time via e-mail. If in doubt about any cancellations or re-scheduled times, please email Raeanne rgraupmann@reifcenter.org.

STUDENT SUPERVISION

All students are encouraged to arrive 15 minutes prior to the start of class. Students should use this time before class to warm up, stretch, and prepare. However, it is not the instructor's or the Reif staff's responsibility to monitor student behavior before or after class. Parents are required to monitor their children before classes; enforce building rules (no running, horseplay, loud voices, etc.), and be punctual when picking up students after class. Instructors are not required to wait longer than 15 minutes after class is over before locking and leaving the building.

Students under 12 may not go outside and wait for pick-up. Parents, please come into the building when dropping off and picking up. This is for the safety of all students and to ensure that you receive any communications from staff which may pertain to you or your child.

STUDENT LOUNGE/OBSERVATION ROOM

The Student Lounge is here for students to do homework, eat dinner, or warm-up before class. Students are welcome to use the refrigerator and microwave as long as they clean up after themselves. Please do not abuse these privileges. The Dance Staff does not have time to clean up after you. If the mess gets out of hand, all students will lose privileges. There is also a phone available in the Student Lounge for students to call their parents. You must first dial a "9" and then the phone number (local calls only). Please be respectful of the facility and your fellow dancers while in the Student Lounge. Keep the volume down and don't leave items lying around.

PARENT VOLUNTEERING

As with most student activities, we ask parents/guardians to become active volunteers with the Reif Dance program. Throughout the year we will have the need for assistance including backstage during performances, flower sales, fundraiser assistance, etc. Volunteering is part of being involved in this program.

CONTACTING US

Reif Dance staff are always willing to help with parent/student questions and concerns. However, sometimes are better than others. Instead of trying to speak with an instructor before or after class, we ask that you call ahead of time to make an appointment. This ensures that all classes can start as scheduled.

TEACHING ASSISTANTS

Students in Level 3 and above are encouraged to apply to become Teaching Assistants. This is a wonderfully rewarding experience. By working as an assistant, you receive marketable work experience, and you will grow as a dancer. Teaching assistants are approved by the Dance Director. The respective instructors of any given class will supervise Teaching Assistants. A completed Teacher's Assistant form must be submitted along with the dance registration form at the time of registration.

REGISTRATION

Registration is open online. Registrations will be taken on a "first come, first served" basis. If you have questions, please call the Reif Center at 218.327.5780. Registrations submitted without payment, or without a signed policy release form, will not be accepted or processed.

DRESSING FOR CLASS

Do not wear jewelry (Including watches) in class. Warmups are allowed in colder months, but please keep warmups dance appropriate. This includes tight-fitting shirts and pants, leg warmers, and skirts in ballet. Baggy sweatshirts and sweatpants will not be allowed in ballet or jazz classes. Put your name on absolutely everything and make sure that you take your own things home.

Students should not enter or leave the premises dressed in a leotard and tights. Always wear a "cover-up." In cold months please wear pants, coats, and appropriate footwear (no flip-flops). This is for the health of our students and to display a sense of propriety.

All Technique Classes: Ladies, please dress in the dance locker room area. Gentlemen, please use the men's room at the end of the dance hallway. The dressing areas are not under surveillance. Please do not leave valuables in the dressing room.

THERE IS ABSOLUTELY NO FOOD ALLOWED IN THE DRESSING ROOM or DANCE LOCKERS. We have had problems with ants and mice in the past as a result of students breaking this rule. Please be respectful of our facility and eat only in the student lounge. Students may have a lock on their locker while in class but may not leave items locked in the locker room permanently. Locks must be removed over the weekend.

PERFORMANCES

Reif Dance is a performance-focused program. Reif Dance is blessed to call the Reif Center home, where we perform several shows each year. While nobody is required to perform, there are performance opportunities for all students. Please notify your instructor, the Dance Director, and the Reif Office as early as possible if you do not wish to perform. This will make it easier for the other students and for the instructors who are trying to prepare for performance and will also prevent unnecessary costumes from being ordered.

Scholarships will go into effect in October. If September tuition is not paid in full by the start of classes, the scholarship will not be activated. The scholarship application is available at the Reif Center Box Office and includes additional criteria for obtaining a scholarship. If awarded a partial scholarship, all payments must be made on time or the scholarship will be removed. Scholarships will be revoked if payments are late.
